Mohammed Alshahrani

Chief Financial Officer | Financial Strategy, Risk & Investment Management | Enhancing capital efficiency and operational performance across 13B+ SAR portfolios

Riyadh, Saudi Arabia

Summary

Financial leadership isn't just about numbers it is about foresight, governance, and building sustainable value. I'm Mohammed Alshahrani, a Chief Financial Officer with deep expertise in financial strategy, investment management, and operational optimization across multi billion dollar portfolios. I specialize in driving revenue growth, improving capital efficiency, and implementing strong financial controls that enhance performance, compliance, and governance. My leadership experience spans investment firms, banking, and financial institutions, where I consistently deliver measurable ROI improvements and operational excellence.I bring a strategic, analytical approach to finance combining forecasting, risk management, and data driven decision making to strengthen organizations and support long term growth. From establishing financial infrastructures to overseeing large scale portfolios and guiding executive decision making, I focus on aligning financial strategy with corporate objectives.➠ Financial Strategy | Investment Management | Capital Planning | Risk Management | Regulatory Compliance | Portfolio Oversight | Budget Forecasting | Financial Reporting | Cost Optimization | Governance Standards | Audit Coordination | Performance Metrics | Operational Efficiency | Process Automation | Stakeholder Reporting ➠ ↳ As CFO at DOM Capital, oversaw financial strategy and chaired multiple investment funds to ensure compliance, governance, and sustained portfolio performance.↳ Managed and optimized investments exceeding 1 billion SAR at Al-Khair Capital, reversing losses through disciplined forecasting and cost management.↳ Supported 15 plus portfolio managers handling investments over 13 billion SAR, improving reporting accuracy and performance monitoring.➠ I lead with precision, accountability, and strategic foresight. I prioritize transparency, disciplined financial governance, and collaborative leadership to ensure organizations operate efficiently, comply with regulations, and achieve sustainable growth. I excel in high stakes

environments where sound financial judgment and strong executive partnership drive results.➠ ’ Open to executive opportunities in CFO leadership, investment strategy, financial governance, and corporate finance transformation, where I can contribute strategic financial insight, strengthen institutional performance, and support long term value creation.

Experience

Dom Capital Financial Company

Chief Financial Officer

September 2022 - November 2025 (3 years 3 months)

Riyadh, Saudi Arabia

Oversaw the company’s financial strategy, governance, and capital planning for an investment firm managing diversified asset classes. In addition, chaired multiple investment funds, ensuring strategic alignment, regulatory compliance, and performance monitoring across all portfolios. Conducted in-depth financial analysis and reporting, prepared quarterly financial statements, implemented policies and procedures to optimize productivity and ROI, and worked closely with the CEO and senior executives to align budgeting with strategic priorities. Responsible for long-term financial forecasting, risk management, and investment strategy to support sustainable growth.

Key Achievements:

• Chaired multiple investment funds, overseeing governance, strategy, and performance to ensure regulatory compliance and long-term value creation.

• Ensured completeness and accuracy of all loan documentation, reducing errors and improving processing efficiency.

• Supported the end-to-end establishment of DOM Capital, leading financial structuring, policies & procedures (P&P), budgeting, and regulatory alignment, while executing cross-functional tasks across all departments to ensure full operational readiness from pre-launch through active operations.

• Designed and executed strategic budgets and financial plans aligned with long-term objectives, improving forecasting accuracy and operational efficiency.

• Strengthened financial governance through rigorous contract review, investment oversight, and risk mitigation initiatives, positioning the company as a trusted market player.

AlKhair Capital الخير كابيتال
5 years

Finance Manager
2018 - 2022 (4 years)

Directed company investments, revenue management, and financial reporting while ensuring compliance with GAZT regulations. Oversaw trial balance preparation, strategic planning, forecasting, and cost management to drive sustainable growth and financial recovery. Managed extensive investment portfolios and multiple asset classes.

Key Achievements:
• Reversed significant financial losses through strategic planning, robust forecasting, and disciplined cost management.
• Successfully managed and optimized investments exceeding 1 billion SAR across multiple asset classes.
• Strengthened internal controls and reporting frameworks, ensuring accurate and timely financial information.

Finance Assistant Manager
March 2017 - August 2018 (1 year 6 months)

Handled month-end closing, payment processing, monthly report preparation, VAT implementation, and comprehensive financial reporting, ensuring operational efficiency and compliance with regulatory standards.

Key Achievements:
• Streamlined month-end closing processes for improved reporting timelines.
• Implemented VAT processes and financial controls to ensure regulatory compliance.
• Enhanced reporting accuracy and operational efficiency through process optimization.

AlKhair Capital الخير كابيتال
4 years

Investment Operations Assistant Manager
2015 - 2017 (2 years)

Monitored cash activity, managed day-end reconciliations, reviewed fund valuations, prepared CAM reports, and oversaw subsidiaries' financial reporting. Optimized portfolio performance and operational workflows across multiple investment instruments.

Key Achievements:

• Implemented advanced financial reporting systems, enhancing transparency and decision-making.

• Conducted accurate investment revaluations and fixed asset management to optimize returns.

• Supported sustainable growth initiatives through cross-functional collaboration and operational excellence.

Investment Operations Officer

2013 - 2015 (2 years)

Managed public and private fund valuations, prepared financial statements, monitored brokerage trades, and controlled cash activity for substantial investment portfolios.

Key Achievements:

• Streamlined operational processes, significantly reducing transaction processing time and improving efficiency.

• Supported over 15 discretionary portfolio managers managing investments exceeding 13 billion SAR.

• Enhanced portfolio performance through accurate reporting and rigorous risk management.

Banque Saudi Fransi

Officer

August 2010 - December 2013 (3 years 5 months)

Consumer Assets

Financial & Service

Saudi Fransi Bank, Riyadh

Operations Processor

2012 - 2013 (1 year)

Conducted quality control in financial services, managed home loan processes, ensured AML & CTF compliance, handled customer complaints, and prepared management reports.

Key Achievements:

• Strengthened compliance through rigorous monitoring and awareness programs.

• Improved home loan processing accuracy and documentation completeness.

• Enhanced reporting and operational efficiency within the banking operations.

Saudi Fransi Bank, P.O, Riyadh
Home Loan Finance Officer
2011 - 2012 (1 year)

Managed home loan operations, ensuring compliance with internal policies and regulatory requirements. Oversaw document verification, real estate appraisal accuracy, loan processing, and title deed management while preparing comprehensive management reports.

Key Achievements:
• Ensured completeness and accuracy of all loan documentation, reducing errors and improving processing efficiency.
• Maintained strict compliance with real estate appraisal standards, enhancing the reliability of collateral assessments.
• Streamlined loan approval and title deed management processes, supporting faster turnaround times and accurate reporting for senior management.

Retail Banking Group Branches
Sales Relationship Officer
2010 - 2011 (1 year)

Managed retail banking products, customer accounts, cross-selling of insurance and investment funds, and staff training while maintaining high customer satisfaction.

Key Achievements:
• Successfully expanded customer base through proactive sales and relationship management.
• Trained and mentored new staff and summer trainees for enhanced team performance.
• Delivered high-quality customer service, strengthening client trust and retention.
